Klepper - The Original

Experience, Quality and Innovation

The most experienced producer of folding kayaks in the world!

Each KLEPPER-Faltboot unique, handmade in Europe. Even in the selection of the materials we place great emphasis on quality. And we guarantee it with:

KLEPPER-5-Year-Warranty!
for all original KLEPPER-Products on processing and material

KLEPPER - test center in your area

**More information about local dealer and KLEPPER - test center you can find on
www.KLEPPER.com**

Got a hole?

Overhaul or repair in proven KLEPPER-quality. And that's how it works: You send us the damaged boatskin and we make you a quotation. The price for the quotation is € 75,00 and has to be paid in advance via wire transfer. After an inspection and determination of the exact repair costs it is then up to you to decide whether or not the repair has to be carried out. When ordering the € 75,00 count toward the total cost of the bill.

Our Prices

All our recommended selling prices are calculated net.

On principle, deliveries are ex works plus freight and packaging costs. Customs and other import charges are payable by the recipient. All products are available exclusively through retailers and the KLEPPER-Onlineshop (www.kleppershop.de) Color deviations and technical changes that improve our products and resulting price changes are possible even during the price list period. Errors Excepted. We refer to our terms and conditions in the current version.

Price list valid from 01.01.2017 This price list supersedes all previous price lists.

Sail for KLEPPER Aerius single-seater

Driftsail "Freewind" (a sailing license is not required)

All KLEPPER boats except Klepper Sprint, Alu-Lite and the Klepper Stars can be sailed
The sail surface is about 1,4 m² and consists of high quality and ultra light spinnaker canvas

The scope of supply includes canvas, two booms, two-piece mast and packing bag
Weight: about 2,2 kg, pack size: 105 cm

Item nr.	Description	Net price €
0679 010	Driftsail "Freewind," white, including viewing window	419,32
0679 021	Driftsail "Freewind", white - blue, including viewing window	419,32
0679 023	Driftsail "Freewind", white - red, including viewing window	419,32
0679 025	Driftsail "Freewind", red - black, including viewing window	419,32

Sail S-1 (a sailing license is not required)

The S-1 sail can be used up to a wind force of about 3-4. However the wave height is to consider in any case.
Please don't overvalue your sailing skills! For beginners we recommend to start with a smaller sail and at lower wind force to get feeling for the operation mode.

The sail surface is about 2,5 m² and consists of high quality and ultra light spinnaker canvas

The scope of supply includes the mainsail and the headsail with viewing window, mast (in three parts) and boom made of seawater resistant anodized aluminium tubes, leeboard crossbar with two leeboards made of ash wood varnished for seawater resistant, shrouds, main sheet and sheet, haylard, masthead fly and packing bag.
Weight: about 9 kg, pack size: 110 cm

Item nr.	Description	Net price €
0689 010	Sail S1 white	714,29
0689 021	Sail S1 white - blue	714,29
0689 023	Sail S1 white - red	714,29
0689 025	Sail S1 red - black	714,29
0699 290	Furling jib, for rolling the headsail.	163,87

Possible accessories

0699 300	Hand tiller	73,95
0699 040	Sail seat	48,74
0699 050	Traveller	161,34

Sail for KLEPPER Aerius two-seater

Sail S-2 (a sailing license is not required)

The S-1 sail can be used up to a wind force of about 3-4. However the wave height is to consider in any case. Please don't overvalue your sailing skills! For beginners we recommend to start with a smaller sail and at lower wind force to get feeling for the operation mode.

The sail surface is less than 5 m² and consists of high quality and ultra light spinnaker canvas
Weight: about 12 kg, pack size: 110 cm

The scope of supply includes the mainsail and the headsail with viewing window, mast (in three parts), gaff and boom made of seawater resistant anodized aluminium tubes, leeboard crossbar with two leeboards made of ash wood varnished for seawater resistant, shrouds, main sheet and sheet, haylard, masthead fly and packing bag.
