The feel of water.

**THE BAMBOO KAI**

An innovative blend of environmentally  
friendly Bamboo fused with state of the  
art Carbon, leading to a first of its kind  
paddle. Crafted from Bamboo, one of the  
fastest growing plants on this planet, the  
Kai takes advantage of the inherent  
strength and flex of this enduring material.  
Feel better about your paddle!  
weight: 20 oz (.57 kg)
